

A new 'specialist' group has been formed, meeting in the Venn Valley Vineyard (between Landkey and Swimbridge) EX32 0NN, once a month, on the first Wednesday at 2:00 pm. There has been a good amount of interest informally given and now we have gone ahead and formalised this new group.

The group will be called 'An Introduction to Bonsai'.

This amazing branch of horticulture is becoming an increasingly popular hobby, as folk are discovering that it takes little time and they can leave all their trees outside!

My name is Nigel Wright and will be the Group Leader. I am a member of Barnstaple u3a and have been doing bonsai for over 30 years – also part of the team exhibiting bonsai at the RHS Chelsea Flower Show over a number of years.

Oh, and there is no room charge – just some folk purchasing a mug of drink and perhaps a bun from the lovely restaurant!

Please email interest to Nigel at nigel@nysys.co.uk or mobile 07974 998032
